

APPLICATION: Urban/Lit Alliance Mentors

The Department of English and Comparative Literature is looking for 10 volunteers to mentor students from San Diego's Hoover High School who are writing college application essays. Volunteering for the "Urban/Lit Alliance" is a great way to build your resume and to put your literature major skills to work in the world. (We hope to be able to offer mentors a small honorarium.)

Mentors must be available for **one 30-minute training session** and **one of these two workshop dates**:

* Wednesday, September 26, 3 - 4:30 p.m. at Hoover High School.

* Saturday, September 29, 10 - 11:30 a.m. at SDSU.

Completed applications due to English Department office by Wednesday, September 19, 4:30 p.m.
